

CENTRO BOTÍN CENTRE

Dear friend:

Welcome to Centro Botín!

We want to share with you some recommendations for you to enjoy your visit with peace and safety.

We appreciate your comprehension and collaboration:

- The Centro Botín staff is here to help you, please contact us whenever you may need it.
- You must wear the face mask during your visit.
- Hydroalcoholic gel for your hands will be available at the entrances.
- In order to respect the safe distances, the space is arranged in accordance with current regulations.
- You should wash your hands frequently and avoid touching surfaces.

We hope you enjoy the experience and hope to see you soon.

Until then, please accept our best regards.
