● Gramíneas y follaje acintado

|    |                                 |   |
|----|---------------------------------|---|
| Pe | <i>Pennisetum rubrum</i>        | 3 |
| Li | <i>Liriope</i>                  | 4 |
| Ag | <i>Agapanthus 'Silver Baby'</i> | 3 |
| St | <i>Stipa</i>                    | 2 |
| Fe | <i>Festuca glauca</i>           | 2 |
| Tu | <i>Tulbaghia violacea</i>       | 5 |

● Arbustos

|    |                                           |  |
|----|-------------------------------------------|--|
| Ba | <i>Baccharis</i>                          |  |
| An | <i>Andromeda polifolia</i>                |  |
| Gr | <i>Grevillea lanigera 'Mt Tamboritha'</i> |  |

● Árbol

|    |                      |  |
|----|----------------------|--|
| Gi | <i>Ginkgo biloba</i> |  |
|----|----------------------|--|

● Follaje púrpura

|    |                                          |   |
|----|------------------------------------------|---|
| Al | <i>Alternanthera dentata</i>             | 6 |
| Lo | <i>Loropetalum chinense 'Pipa's Red'</i> | 7 |
|    |                                          | 5 |

● Plantas de flor

|    |                          |   |
|----|--------------------------|---|
| Ga | <i>Gaura lindheimeri</i> |   |
| Rs | <i>Rosal miniatura</i>   | 1 |

● Tapizantes y colgantes

|    |                             |   |   |
|----|-----------------------------|---|---|
| Se | <i>Sedum sexangulare</i>    | 4 | 9 |
| Co | <i>Convolvulus sabatius</i> | 1 | 6 |

Materiales

|   |                               |    |
|---|-------------------------------|----|
| 8 | Sustrato universal 70 L       | 5  |
| – | Humus de lombriz 50 L         | 1  |
|   | Recebo                        | 2  |
|   | Triturado Rosa Valencia 10/15 | 10 |
